

VOLUNTEER OPPORTUNITIES

Whether you come alone or with a group, every one of our volunteers is essential to the success of the Lexington Ronald McDonald House.®

This year, hundreds of volunteers will give their time and talents to maintain the house and grounds, provide services for our guest families, and help us find the funding necessary to make it all possible. The Ronald McDonald House offers a variety of rewarding volunteer opportunities to fit your schedule and interests as well as your availability of time (we offer both one-time opportunities and ongoing).

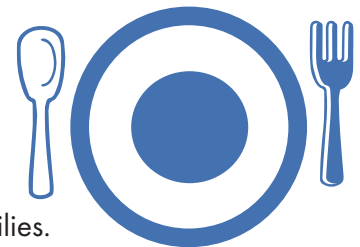

House Volunteers

House volunteers are vital to our Home, they perform a variety of duties including answering the phone, housekeeping, visiting with guest families, helping with donations, greeting visitors, cleaning and preparing rooms for incoming guests. We have volunteers from 9:00 a.m.- 9:00 p.m. daily. A training session is required.

Meal Groups

Nothing keeps families together like a “home” cooked meal! Plan, purchase and prepare the meal on site for our families.

Breakfast

Prepare breakfast on Saturday or Sunday mornings at 10:00 am.

Lunch

Sign up to make a “grab and go” lunch (40-50 sandwiches) for guests staying at the House.

Dinner

Our Health Department inspected kitchen can accommodate groups of as many as twelve volunteers. We serve dinner at 7:00 p.m. and we invite your group to join our families for dinner.

Work Groups

You can volunteer as a work group helping to plant flowers, clean our kitchen or any of the many chores it takes to keep our House clean and ready for families.
